

## TRADE EXHIBITION AND SPONSORSHIP OPPORTUNITIES

**Date:** 2011, 6-7 JANUARY  
**Meeting:** 199<sup>th</sup> Scientific Meeting  
**Venue:** Wellcome Trust Conference Centre, Genome Campus, Hinxton, Cambridge

The 199<sup>th</sup> Meeting of the Pathological Society will be organised by the Department of Pathology, University of Cambridge. Approximately 200 delegates are expected, mainly from the UK, Ireland and the Netherlands

**Programme:** This 2-day meeting will include two symposia on *‘Histopathology Today and Tomorrow’*, covering the basis and application of molecular pathological information in conjunction with more traditional histological investigations, together with a further symposium on the biology of cell injury. There will also be a slide seminar and meet the experts session for trainees.

**Venue:** The meeting will be held in the Wellcome Trust Conference Centre on the Hinxton Genome Campus. The trade exhibition area will be integral with the poster and refreshment areas, with optimal opportunity for delegate interaction with exhibitors.

**Dates and times:** The Trade Exhibition will commence at 09.00hrs on Thursday 6 January and will conclude at 14.30 hrs on Friday 7 January. Set up will be on the afternoon of Wednesday 5 January. (All times subject to confirmation).

**Donations:** The Society would welcome contributions for any of the events/options on the enclosed booking form. All contributions will be acknowledged in the Final Programme at time of going to press.
