

Pathological Society of Great Britain and Ireland
Online Teaching and Learning Workshop (7 CPD Credits)
Tuesday 12th December 2023

09:00-09:05 Registration and Welcome address

Dr Abhik Mukherjee

Session: Medical Education and Histopathology

09:05-09:25 Medical Education Research: The basics *Prof Rakesh Patel, QMUL*

09:25- 09:50 Undergraduate Medical Teaching and Social Media Platforms *Dr Tristan Rutland, Western Sydney University*

09:50-10:10 Arranging Tasters in Histopathology for UG and Foundation Trainees: A histopathology trainee perspective: *Dr Angeli Arthur, Nottingham University Hospitals*

10:10-10:30 Setting up International Teaching in Histopathology: *Dr Richard Byers*

10:30-10:50 Panel discussion: How to encourage medical education initiatives among histopathology trainees? [Attendees; Facilitators: *Dr Rutland, Dr Arthur, Prof Patel, Dr Richard Byers and Dr Mukherjee*]

10:50-11:15 Comfort break

Session: Clinical Trials and Pathology

11:15-11:35 Basics of Clinical Trials and Trial Design: *Prof Srinivasan Madhusudan, University of Nottingham*

11:35-12:00 A pathologists' route into clinical trials: *Dr Nick West, University of Leeds*

12:00-12:25 Education in Clinical Trials and Pathology *Dr Abhik Mukherjee*

12:25-13:15 Lunch break

Session: Clinical Trials and Pathology (contd.)

13:15-13:40 Spirit path: *Dr Timothy Kendall, Edinburgh*

13:40-14:05 Pathology quality assurance in clinical trials *Dr Max Robinson, Newcastle*

14:05-14:30 Clinical Trials: What does industry want from pathologists and vice versa? *Dr Rowena Sharpe, Astra Zeneca*

14:30-14:50: Panel discussion: How do we promote clinical trials engagement to pathologists [Prof Madhusudan, Dr West, Dr Kendall, Dr Robinson, Dr Rowena Sharpe, Dr Mukherjee]

14:50-15:10 Comfort break

Teaching in Pathology: Novel specialisms

15:10-15:35 Artificial Intelligence: Resilience building: What histopathologists need to know Prof Jo Martin QMUL

15:35-15:40 5 mins Q and A slot for Prof Martin

15:40-16:05 Basic Lexicons of Digital Pathology: Prof Ali Khurram

16:05-16:25 Lexicons of genomic pathology: What do pathologists need to know? Dr Matt Evans: Southampton

16:25-16:45 Writing business cases for Integrating Novel Specialisms: Digital Pathology Dr David Clarke, Nottingham

16:45-17:00 Panel discussion and Q and A: Novel specialisms in Pathology Education [Attendees; Facilitators: Dr Evans, Prof Khurram and Dr Mukherjee]

17:00 Concluding remarks and vote of thanks Dr Abhik Mukherjee, University of Nottingham
